# FERRY SOUVENIR SHOP

## Oita Speciality - Zabieru box of 6 ¥750

After landing in Kyushu in 1549 Japan's first ever Christian missionary Francis Xavier contributed to town development and set up of schools and hospitals. Commemorating his influence and exchange between Japan and the West, Zabieru was created. Japanese style white sweet bean-paste with Western style rum-raisins wrapped in buttery cake dough, blending to become a delicious treat, well-loved Oita in for over 50 years.

## Oita Speciality - Zabieru box of 12 ¥1,250

After landing in Kyushu in 1549 Japan's first ever Christian missionary Francis Xavier contributed to town development and set up of schools and hospitals. Commemorating his influence and exchange between Japan and the West, Zabieru was created. Japanese style white sweet bean-paste with Western style rum-raisins wrapped in buttery cake dough, blending to become a delicious treat, well-loved Oita in for over 50 years.

## Oita Speciality - Luisa box of 6 ¥660

In Oita Prefecture Saiki City Ume Town lie the remains of a convert girl, baptized to be named 'Luisa.' This famous sweet snack is named in her honor. It consists of white, sweet bean-paste encased in sponge cake dough, wrapped in aluminum foil and baked. The bean paste turns purple because a violet-colored liqueur is also used, creating a soft aromatic buttery confectionary.

## Baby Poeme ¥980

Mini Version of the classic Poeme baked confectionary. Made using ingredients grown in the Seto Region's mild climate and fertile land and with a unique manufacturing technique these sweets are a combination of delicate-tasting Japanese sweets and the flavor-rich Western sweets.

## Jako-Ten Assortment ¥1,000

This assortment allows you to try 8 slices of Jako-Ten made in Yawatahama. Jako-Ten is deep-fried fish-paste patties made from locally caught glowbelly fish. Fish-meat as well as tiny bones are ground to make the paste, giving it a unique flavor and high calcium content.

## Aso no Ketchup ¥700

An excellent quality ketchup which has gained interest from the media. Handmade using ingredients grown on the foothills of Mt. Aso and from the Aso region and Kumamoto, with only reduced-pesticide vegetables and no additives. This ketchup is safe even for small children.

**Yoshino Torimeshi (Chicken Rice) Mix      ¥1,000**

Enjoy delicious Yoshino Torimeshi in the comfort of your home. Freshly cooked Yoshino Chicken Rice is a culinary delight. This sealed pack, contains all you need to make it easily. Heat the pack in hot water or in the microwave and then mix it with freshly cooked rice. Juicy chicken, aromatic burdock, high quality ingredients and the traditional recipe make this dish a simple yet delicious unforgettable meal.

**Toriten Senbei (Rice Crackers)    ¥700 ~ ¥1,170  
small pack ¥700      large pack ¥1170**

Oita Prefecture's mysterious rice cracker snack. Ever since its release in Beppu City Higashi Soen on 28<sup>th</sup> July 2008 this snack has become the 'soul-food of Oita'. It is a Chicken Tempura flavored rice cracker nothing like anything else on the market in taste and texture. Why not take this some back with you to remember Oita by.

**Usuki Senbei (Crackers)    ¥500 ~ ¥1,620  
6pc pack ¥500      18pc pack ¥1,620**

'Usuki' means mortar or grinding bowl. These crackers are made to resemble mortars. There are two types – mortar-shaped thin curved crackers and more sturdy round flat thick crackers. Both types are handmade using traditional methods over 400 years old, ever since they were established as a non-perishable food apt for travel, by a past feudal lord. Even today they are slavered one by one with a ginger and sugar syrup before being baked. They are well-renowned as Oita's specialty.

**Shohachi Udon Noodles ¥870**

Enjoy the taste of real Kagawa Udon noodles with firm al dente yet smooth and chewy textured Shohachi Udon Noodles.
